

IT'S ABOUT WORKFORCE MANAGEMENT

Improving how your company collects and manages time and attendance information is no longer a luxury. EasyChoice® TimeVantage provides your company with the ability to better manage your workforce via leading edge internet-based tools.

Our time and attendance solution eliminates manual time tracking, but that's only the beginning. EasyChoice® TimeVantage provides HR functionality including leave requests, an accrual policy rules engine, rate calculations, payroll audit trails, ad-hoc reporting and tiered security access. It's everything you need to accurately manage a growing workforce. Prices start at \$2.50 per employee, per month.

Isn't it time you brought your time and attendance solutions to the next level, it's an EasyChoice®!
